

## New on the Shelves

Beginning with this issue of the *Annals of Iowa*, we hope to include in each issue a list of recent additions to the library collection of the State Historical Society of Iowa. The list is dominated by town, county, and church histories and reminiscences and memoirs. Researchers in Iowa history should know these books are available, but most are not appropriate as the subject of scholarly review. The "DM" or "IC" at the end of each entry denotes whether the item is held in Des Moines or Iowa City.
