

Diary of a Young Girl

Grundy County to Correctionville, 1862

EDITED BY LIDA L. GREENE

This is part of the diary of Ellen Strang who came to Iowa from New York state in 1853 with most of her Quaker family. They settled in Grundy County and became pioneers there.

Ellen lived on a farm with her parents and two brothers, Edwin and William. She also had a sister Sarah Ann who was married to Morris Kellogg at the time this was written. They had three children, Emma, Mary and Dorcas.

This particular part of Ellen's diary concerns her trip to Correctionville and her stay with Sarah Ann and her family. For the most part, it is exactly as she wrote it.

November, 1862

Saturday, 1st—Mother, Sarah Ann and I sewed; father got home from Watterloo; Edwin geathered corn.

Morris Emma Mary and I went about 4 oclock to Sarah Anns grave

(The Correctionville section of the diary ends here. There is no report of the trip back to Grundy County except as it is mentioned some weeks after the event . . . they arrived safely . . .)

Many Iowa Women Won Fame

by LULU MAE COE

Whatever the men have thought about it, Iowa women never have gone along with the idea that their place was exclusively in the home.

Many of them have become famous in activities that had little to do with the cookstove.

Amelia Jenks Bloomer, for example, made all the best head-lines when she championed dress reform for women. She did not design the skirt-and-trousers effect, but she wore the out-fit, and the derisives dubbed it "bloomers."

A militant reformer, Mrs. Bloomer, who came to Iowa in 1855, was a lifelong advocate of women's suffrage and temperance. In the end, she wore a long satin gown and celebrated her golden wedding anniversary in Council Bluffs.

DIET KITCHENS

Soldiers of later wars owe much to Annie Turner Wittenmyer, of Keokuk, who during the war between the states originated the plan of diet kitchens for Army hospitals. Sick and
