

New on the Shelves

"New on the Shelves" is a list of recent additions to the collections of the State Historical Society of Iowa. It includes manuscript, audio-visual, and government records recently acquired or newly processed that we think might be of particular interest to readers of the *Annals of Iowa*. The list also includes published materials added to either library that are not reviewed elsewhere in some issue of the *Annals*. The "DM" or "IC" at the end of each entry denotes whether the item is held in Des Moines or Iowa City.
