Books at Iowa is published twice a year by the Friends of The University of Iowa Libraries, Iowa City. Correspondence concerning membership in the Friends should be sent to Dale M. Bentz, University Libraries.

The portrait of Tycho Brahe on the front cover is reproduced from the Library's copy of Isaac Bullart's *Academie des Sciences et des Artes* (1682), volume 2, which in turn is an adaptation from the title-page portrait of Tycho's *Astronomiae Instauratae Mechanica* (1602). Notice, on the left side of the arch, two Danish names which fit characters in Shakespeare's *Hamlet*—Rosincrance and Guildenstjerne.
