C13

DES MOINES:

EMORY H. ENGLISH, STATE PRINTER  
EDWARD D. CHASSELL, STATE BINDER

1910

Geology

v. 20

1909

Cop. 2

## GEOLOGICAL BOARD

---

HIS EXCELLENCY, B. F. CARROLL.....GOVERNOR OF IOWA  
HON. JOHN L. BLEAKLY.....AUDITOR OF STATE  
DR. GEORGE E. MACLEAN.....PRESIDENT STATE UNIVERSITY OF IOWA  
DR. A. B. STORMS.....PRESIDENT IOWA STATE COLLEGE  
PROFESSOR FRANK F. ALMY.....PRESIDENT IOWA ACADEMY OF SCIENCES

3834

## **GEOLOGICAL CORPS**

---

SAMUEL CALVIN.....	STATE GEOLOGIST
JAMES H. LEES.....	ASSISTANT STATE GEOLOGIST
NELLIE E. NEWMAN.....	SECRETARY
W. H. NORTON.....	ASSISTANT ON UNDERGROUND WATERS
S. W. BEYER.....	ASSISTANT ON ECONOMIC MATERIALS
IRA A. WILLIAMS.....	ASSISTANT ON ECONOMIC MATERIALS
T. H. MACBRIDE.....	ASSISTANT ON AREAL GEOLOGY
B. SHIMEK.....	ASSISTANT ON AREAL GEOLOGY
MELVIN F. AREY.....	ASSISTANT ON AREAL GEOLOGY
GEO. F. KAY.....	ASSISTANT ON WATER POWERS
J. ERNEST CARMAN.....	ASSISTANT ON AREAL GEOLOGY

## CONTENTS

---

MEMBERS OF GEOLOGICAL BOARD.....	III
GEOLOGICAL CORPS .....	IV
TABLE OF CONTENTS.....	V
LIST OF ILLUSTRATIONS.....	VI
ADMINISTRATIVE REPORT .....	XI
GEOLOGY OF BUTLER COUNTY.....	1
GEOLOGY OF GRUNDY COUNTY.....	61
GEOLOGY OF HAMILTON AND WRIGHT COUNTIES.....	97
GEOLOGY OF IOWA COUNTY.....	151
GEOLOGY OF WAYNE COUNTY.....	199
GEOLOGY OF POWESHIEK COUNTY.....	237
GEOLOGY OF HARRISON AND MONONA COUNTIES.....	271
GEOLOGY OF DAVIS COUNTY.....	487
INDEX .....	525

## LIST OF ILLUSTRATIONS

PLATES		PAGE
I.	Map showing progress of detailed mapping, to face.....	XI
VII.	Upper view—Loess-Kansan morainic topography, Butler county. Lower view—Stony road in moraine, Butler county.....	11
VIII.	Upper view—Gravel pit at Clarksville, Butler county. Lower view—Butler gravel pit, Greene, Butler county.....	42
IX.	Flat-Kansan topography, Clay township, Grundy county.....	69
X.	Upper view—Pahoid hills in Pleasant Valley township, Grundy county. Lower view—Western paha, German township, Grundy county..	71
XI.	Upper view—Iowan boulder, Pleasant Valley township, Grundy county. Lower view—Decaying granite boulder, Pleasant Valley town- ship, Grundy county.....	87
XII.	Mound in the meadow, Wright county.....	106
XIII.	Behind the moraine, Wright county.....	107
XIV.	Why the Iowa river runs northeast. The moraine in Wright county .....	111
XV.	Part of the moraine in eastern Wright county.....	115
XVI.	Boone river valley at its mouth, Hamilton county.....	119
XVII.	Forest-filled valley of Des Moines river, Hamilton county.....	139
XVIII.	Section of the Iowa river from Marengo east to the county line, Iowa county, to face.....	164
XIX.	Des Moines sandstone quarries west of Amana.....	169
XX.	Upper view—Rugged Kansan topography, Grand River township, Wayne county. Lower view—Flat-Kansan area, Grand River township, Wayne county .....	205
XXI.	(1) Murray Hill; (2) Inland topography, Harrison county....	281
XXII.	Bluffs of tributary valleys. (1) Loess bluffs with cat-steps, Pisgah. (2) Rounded bluffs along the Boyer, Missouri Valley. Harrison county .....	285
XXIII.	Topography near Turin. (1) Belvidere bench. (2) Loess ridges. Monona county .....	288
XXIV.	County-line exposure, showing Nebraskan drift and Aftonian sand and gravel. Harrison county.....	305
XXV.	Aftonian sections. (1) Cox pit. (2) McGavern pit. Missouri Valley, Harrison county.....	313

## LIST OF ILLUSTRATIONS

vii

## PLATES

	PAGE
XXVI. Proboscidian remains from the Aftonian.....	325
XXVII. Kansan on Aftonian. Gravel pits in Monona county.....	345
XXVIII. Kansan and Aftonian. (1) Elliot pit, Turin. (2) Ferdig pit. Monona county .....	349
XXIX. Murray Hill exposures. (1) Profile, looking north. (2) Section along road. Harrison county.....	353
XXX. Harrison county exposures. (1) Peckenpaugh quarry, Logan. (2) Section in Snyders Hollow, Missouri Valley. Harrison county .....	363
XXXI. Loess exposures. (1) Missouri Valley. (2) Missouri river bluffs. Harrison and Monona counties; to face.....	392
XXXII. Beaver creek alluvial bed and bones of bison, elk and Virginia deer. Monona county; to face.....	408
XXXIII. Missouri Valley topography and groves. Harrison county; to face .....	446
XXXIV. Prairie and forest in Monona county; to face.....	446
XXXV. Artificial groves. (1) Whiting grove. (2) Deur orchard. Har- rison and Monona counties; to face.....	446
XXXVI. Prairie ridges showing trees in sheltered ravines. Harrison and Monona counties .....	447
XXXVII. Walnut grove near George, Lyon county.....	451
XXXVIII. Meteorological stations, Missouri Valley. Harrison county.....	455
XXXIX. Meteorological stations, Missouri Valley, Harrison county.....	457
XL. Curves showing evaporation, wind velocity and temperature on August 29, 1908, at stations at Missouri Valley.....	463
XLI. Curves similar to those on plate XL, for September 12, 1908....	464
XLII. Upper view—Flat-Kansas topography, Cleveland townships. Davis county. Lower view—Rugged Kansas topography, Drakeville town- ship, Davis county.....	495

## FIGURES.

	PAGE.
1. New Hartford hills, Beaver township, Butler county.....	10
2. Boulder in section 26, Beaver township, Butler county.....	14
3. Diagrammatic section in Beaver township, Butler county, showing the lower level of the rock beneath the hills than under the valleys....	15
4. View on West Fork of Cedar river, Butler county .....	21
5. Schrader quarry, Dayton township, Butler county.....	28
6. East end of pahoid hills, Pleasant Valley township, Grundy county.....	68
7. Small pond in Iowan area, Pleasant Valley township, Grundy county..	85
8. A boulder-strewn vale in Iowan drift, Grundy county.....	89
9. Section of bluff near Silver mine, Hamilton county.....	133
10. Coal bed in Stockdale opening, Hamilton county.....	134
11. Erosion in cultivated field of hilly loess, Iowa county.....	149
12. Broad valley of Iowa river, near Hohe Amana, Iowa county.....	163
13. Typical loess-Kansan topography, Iowa county.....	175
14. Alluvial valley typical of Iowa county streams.....	178
15. Results of a common system of farming loess hills, Iowa county.....	182

## LIST OF ILLUSTRATIONS

FIGURES.	PAGE.
16. Encroachment upon unmodified drift topography by headward erosion of small streams, Wayne county.....	207
17. Flat bottom lands on Caleb creek, Grand River township, Wayne county .....	208
18. Plan showing location of Posten prospect holes, Wayne county.....	216
19. Section of old Frye shaft, Confidence, Wayne county.....	231
20. Coal seam in Frye mine, Confidence, Wayne county.....	231
21. Part of Seymour shaft, Seymour, Wayne county.....	233
22. Bed of Winger mine, Harvard, Wayne county.....	233
23. Road showing weathered Kansan drift without loess, Grinnell township, Poweshiek county.....	243
24. Loessless area in Grinnell township, Poweshiek county.....	245
25. Pella beds, Saint Louis limestone, Sugar Creek township, Poweshiek county .....	255
26. Pella beds, Sugar Creek township, Poweshiek county.....	256
27. Verdi beds, Saint Louis limestone, Sugar Creek township, Poweshiek county .....	257
28. Coal at Smith and Barrowman mine, Searsboro, Poweshiek county.....	264
29. Section of Pinckney sand pit, Mapleton, Monona county.....	358
30. Two loesses, Harrison county.....	384
31. Section in Gaulocker's brickyard, Iowa City, showing two loesses, Johnson county.....	387
32. Abrupt treeless bluffs above Missouri Valley, Harrison county.....	400
33. Wooded bluffs above Florence, Nebraska.....	401
34. Face of loess bluffs at Council Bluffs, showing tufted vegetation.....	402
35. A large sand dune, with cottonwoods, west of California Junction, Harrison county.....	411
36. A sand dune on which plants have become established, California Junction, Harrison county.....	412
37. Diagram showing cause of steep slopes on leeward side of hills.....	449
38. Recent headward stream erosion, Drakeville township, Davis county.....	493
39. Fox river valley, Drakeville township, Davis county.....	498
40. Seams at Brown Cannel mine, Carbon, Davis county.....	514
41. Bluff on Soap creek, near old Brown Cannel mine, Carbon, Davis county.....	514
42. Coal bed in old Sickles mine, Laddsdale, Davis county.....	516

## MAPS.

TO FACE PAGE	
Geological map of Butler county.....	58
Geological map of Grundy county.....	94
Superficial deposits of Hamilton county.....	126
Superficial deposits of Wright county.....	148
