GEOLOGICAL BOARD.

-
- HIS EXCELLENCY, FRANK D. JACKSON, - GOVERNOR OF IOWA
HON. C. G. MCCARTHY, - - - AUDITOR OF STATE
DR. CHAS. A. SCHAEFFER, PRESIDENT STATE UNIVERSITY OF IOWA
DR. WM. M. BEARDSHEAR, PRES'T IOWA AGRICULTURAL COLLEGE
DR. L. W. ANDREWS, PRESIDENT IOWA ACADEMY OF SCIENCES

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable and valid measurement tools.

3. The third part of the document focuses on the interpretation and analysis of the collected data. It discusses the various statistical methods and techniques used to analyze the data and draw meaningful conclusions from the results.

4. The fourth part of the document discusses the implications of the findings and the need for further research. It highlights the importance of continuing to monitor and evaluate the organization's performance and making adjustments as needed to improve its effectiveness.

5. The fifth part of the document provides a summary of the key findings and conclusions of the study. It emphasizes the importance of the findings and the need for further research to address the remaining questions.

6. The sixth part of the document provides a list of references and sources used in the study. It includes a list of books, articles, and other sources that have been consulted during the research process.

SPECIAL AND TEMPORARY ASSISTANTS.

H. FOSTER BAIN.....	COAL
