Acknowledgments: Dorothy Corder, Rick Knupfer, Bill Kupersmith, Felicia Lavallée, Richard Lloyd-Jones, and Norman Sage assisted in numerous ways to bring this issue into print. Pat Struve cheerfully and promptly entered most of the following pages into the computer for us. Angelita Reyes deserves a special mention for her fine help with this issue. The Collegiate Associations Council of the University of Iowa provided primary funds for production; the Department of English and the Graduate College helped out with secondary funding.

Cover design is by M. A. McKeller, an M.F.A. candidate in Art at The University of Iowa. Used by permission.
