Acknowledgments: Mary Hussman, Felicia Lavalée, Richard Lloyd-Jones, Gina Moorehead, and Norman Sage assisted in numerous ways to bring this issue into print. Paul Diehl and Susan Lohafer deserve a very special thank you for their fine and painstaking efforts as judges for the poetry and fiction awards. A warm thanks also to the many professors, too numerous to mention here, who helped us with advice and encouragement during all the various stages of this issue. Sarah Enticknap and Scot Wilcox cheerfully, and under the pressure of deadlines, entered the following pages into the computer for us. Our proofreaders read, re-read, and read again all the pages of this journal. As our very best readers, the following people deserve a special mention and many thanks: Del Arnold, Jay Berry, Sarah Enticknap, Barbara Price, Dan Weeks, Anne Whitehead, Scot Wilcox. The Collegiate Associations Council of the University of Iowa provided the primary funds for the production and basic operations of the journal. Our advertisers made possible the awards given to the best poem and story published in this issue. The Department of English and the Graduate College helped out with secondary funding.
