The *Iowa Journal of Literary Studies* is a journal of artistic, critical, and scholarly endeavor managed and edited by graduate students at The University of Iowa. We publish the work of those currently enrolled or recently enrolled in graduate programs here. We publish one issue annually and we accept submissions from July through January of each year. The cost is \$4.00 per copy (plus \$.50 for postage). Some back issues are available at discount prices.

To submit work, please send two clean copies of your typed manuscript. *Do not include your name anywhere on the manuscript*—all submissions are reviewed anonymously. Include a cover letter indicating your name, address, title(s) of your work(s), and the category to which you are submitting your work (e.g., fiction, essay, criticism). Prose manuscripts should not far exceed twenty pages. Please submit no more than eight poems. We follow *The Chicago Manual of Style* in matters of form and documentation of references. Requirements for artwork vary—please consult the editors prior to submission. The editors cannot be responsible for copies of work submitted, but it does help if you include a self-addressed envelope with enough postage to return your work. If you have a campus address, postage is unnecessary. Arrangements can be made to return copyrights to the authors, but there is a small surcharge. Submissions, orders, and inquiries can be directed to The Editor, *Iowa Journal of Literary Studies*, 308 English-Philosophy Building, The University of Iowa, Iowa City, Iowa 52242. Phone (319) 335-0592.

*Acknowledgements:* Mary Hussmann, Felicia Lavallée, Maureen Taylor, Fil Winegardner, and Vicky Dingman helped the staff by providing information, assistance and support throughout the year. We thank the judges who selected this year's prize winners: Terry Krueger, Jeff Friedman, Drake Hokanson, and Anthony S. Abbott. Thanks go to William Kupersmith of the *Philological Quarterly* for advice and the use of equipment used in the production of the journal. Victoria Brehm of the *Walt Whitman Quarterly Review* also provided useful advice. Our vigilant proofreaders deserve special mention for their hard work: Jocelyn Bartkevicius, Bruce Krajewski, Victoria Carlson, Patrick Nunnally, Allison York, Jesse Gearson, Heather Sneff, David Kaiser, Chuck Sklar, John Hendricks, and Geetha Varadarajan. Many thanks to Judith A. Sealey who assisted in transferring computer files and to Nancy Simpson for typing. Susan Berger, Thomas E. Quillin, and Anne Lattimore worked beyond the call of duty. We would like to acknowledge Daniel B. Stein for his persistence. The University of Iowa Lecture Committee assisted in putting together interviews, as did Victoria Carlson and Professors John Raeburn and Scott MacDonald. Our primary funding is provided by The University of Iowa Collegiate Associations Council. A very special thanks to the Department of English for providing office space and additional support.
