Acknowledgments: Mary Hussmann, Felicia Lavalée, Cindy Larson, and Bob Grunst assisted in numerous ways to bring this issue into print. Mary Swander and Robley Wilson deserve to be recognized for their fine and painstaking efforts as judges for the poetry and fiction awards. A warm thanks also to the many professors, too numerous to mention here, who helped us with advice and encouragement during all the various stages of the production process. Keith Achepohl and Jon Cawelti of the Iowa Print Group assisted us in selecting many of the prints that appear in this issue. Judy Mentzer, our editorial assistant, deserves special mention for the work she did for the editorial staff this year. Our fine group of proofreaders also deserves thanks: Susan Berger, Carol Bird, Stephanie Brown, Rita Ciresi, Sarah Enticknap, Ellen Heath, Laurie Henry, Jan Parr, Scott Raab, and Jackie Smetak. The Collegiate Associations Council of The University of Iowa provided the primary funds for the production and basic operations of the journal. Our advertisers made possible the poetry and fiction awards. The Department of English and the Graduate College provided secondary funding.

Cover design is by Laura Klaus, who recently received her M.F.A. in printmaking from The University of Iowa. Used by permission.
