

# *OUTBREAK!*

i

just had  
a really  
strange  
moment  
where  
i

connected  
to your body

&

my mind  
told me  
to tell  
your mind:

infection  
is a star  
that  
fell  
inside  
your  
body

:

portal  
to a new  
half-visual  
body technology

(to transfer  
bulk tissue  
is surgery)  
(to shape it,  
art)

here comes  
Babalú-Ayé

*(cripple god)*  
*(god of smallpox)*

scoring  
how well  
you live  
with  
rupture
