### THE MELODY OF MELANIN

The Melody of Melanin in Motion  
from Morning to Midnight  
is a Mystery to Many Men

It Sings a Song of Salvation for Sinners  
and Secures the Souls of the Saved

It says Look, Listen, Learn, then Leap  
into the Lovely Lyrics of this  
Long Lost Lullaby

Consume, Carry, Cultivate, Cherish  
the Cries and Callings of its  
Classic Color Combination

Bow, Bend, but Beware of Breaking Beneath  
this Beautiful Ballet which Boldly Brings  
Balance Between Belligerence and Bashfulness  
It Builds Boundaries Beyond Blamers  
and Bridges Beneath Broken Brothers

The Melanin Movement has Marched Miles  
To Move Mountains  
and to Mend our Men
