The works on our covers this year, and also in a small portfolio in this issue, are photographs by Terry Evans of Chicago, Illinois. The work of Ms. Evans, who specializes in Midwestern landscapes, has been widely published and exhibited, including here at Iowa. It comes under discussion also in an essay by Joni L. Kinsey in this issue. Our cover image this time is "Spring, Saline County, Kansas" (1991).

The Iowa Review is indexed in *Abstracts of English Studies*, *American Bibliography of Slavic and East European Studies*, *American Humanities Index*, *Bibliography of English Language and Literature*, *Index of American Periodical Verse*, *Index to Book Reviews in the Humanities*, *Modern Language Association Bibliography*, and *Poem Finder* (www.poemfinder.com).

Send subscriptions, submissions, and inquiries to *The Iowa Review*, The University of Iowa, 308 English Philosophy Bldg., Iowa City, Iowa 52242-1492. Please see our back ad for more information. We read manuscripts from September through March, or until we fill issues for a year ahead, then we return everything until the following September. We prefer single, not multiple submissions and ask that you state as much. We will read the former more quickly and what we will assume are the latter as we are able.
