THE LONGEST CONTINUING RUNNING POLICEMAN

Jack Lord, 1920-1998

The longest continuing running policeman
shows a connection to when I experienced
what felt like something entering my body
in my sleep suddenly causing me to awaken
in March of '77—at the Hawaii Holiday Inn
whose name has just been changed
and was never part of the Holiday Inn chain
—shows a connection to the heavenly part
of this, what I felt when something entered
my body. Hawaii is the “Paradise of the Pacific.”
The fact that the name of the show was *Hawaii Five-O*
shows a connection to Christ, the longest continuing
running policeman, the heavenly part of this.
He polices us all, if you please. The O is the circle
and it's about time it became unbroken.
The fact that Jack Lord was 77 when having heart failure
relates to the graduation process, our awakening
to be Christ. The 5 of course is Christ, the O
is the circle and it's about time it became unbroken.
Something entered my body in March of '77
at the Hawaii Holiday Inn whose name has been changed
and I've been trying to reclaim my heart ever since—
shows a connection to the heavenly part of this.
The headline read, “Jack Lord, Star of *Hawaii Five-O*, Dies.”
The line below read in smaller type, “Producer of longest
continuously running police show suffers heart failure
at 77.” In Luke 3:23 (March 23) Jesus is 77th in the line of God—
connects to both me and Jesus in a genealogy of Jesus.
As Christ, I am born with heart failure, what felt like
something entering my body in sleep causing me to awaken.

The 5 of course is Christ. *Jack* is J-A-C-K, or JA.
It's about time it became unbroken, the O is the circle.
Jack is also 1132 (Jesus is 11 and Christ 32), which is a 7,
or Jesus Christ reduced. The 5 of course is Christ.
The fact that the name of the show was *Hawaii Five-O*
shows a connection to Christ and the heavenly part.
Jesus Christ is *Lord*. Hawaii is the Paradise.
Don't you think it's time you put me to work for you?
Or do you just want me to continue to be around
in merely a mediocre existence in fact?
Something entered my body March 23, 1977,
at the Hawaii Holiday Inn whose name has been changed
and I've been trying to reclaim my heart ever since—
shows a connection to the heavenly part of this.
As Christ, I am born with heart failure, causing me to awaken.
