

ANDY CARTER

## FEELING A FEELING

pedophiles bicycle after petabytes of tricycles  
at the C House,

drone in a field of pony

bodies of water with

waves dumb as white supremacists

and electricity sounds English to the radar  
suggesting poop metrics

trees look like broccoli  
the empire's silent but deadly, a nightly

kazoo music conspiracy  
to control women's  
right to their vagina's memory

143

classified state secrets  
with whale song details of creation
