Our cover reproduces another part of "Proposal for a cityscape and land reclamation," by Luther Utterback, watercolor and ink, 1975. Utterback's best known work is on a very large scale. Local readers will be most familiar with it from limestone and landscaped constructions in front of the Hoover Building at the Capitol Complex in Des Moines and near Hancher Auditorium, near the Iowa River, in Iowa City. Utterback is working on a larger project now, to which our covers this year are all related.

The Iowa Review is indexed in *Abstracts of English Studies*, *American Bibliography of Slavic and East European Studies*, *American Humanities Index*, *POEM FINDER*, *Bibliography of English Language and Literature*, *Index of American Periodical Verse*, *Index to Book Reviews in the Humanities*, and *Modern Language Association Bibliography*.
