

MATTHEA HARVEY

*The Good Are Bad for Business*

That Cupid sure was stupid the money's in the breaking  
Up at 9 for a 10 o'clock apptmt with Vera Treatwell  
Doesn't bode well for the Mister that's for  
Sure enough this sister's found a letter in his breast-  
Pocket the greenbacks & I'm on my way downtown  
Day Three ah believe on the stakeout he's having  
A steak out with Little Ladylove Number Two  
Ladyfinger as I call her 'cause her ten are apt to  
Linger a little & I guarantee more than rain in the  
Streetlights & men pissing in corners all casual-  
Like any lady Vera wants a pack of photographs  
In Kodak Et Veritas though I deplore using Latin  
Loosely Ladyfinger in her furs swerves around the  
Corner me & I'll say it's my 1st time in the city  
& I want a picture of a pretty girl to show the guys  
Back home by the phone Vera is hoping I'll get him  
Good is how she rated Arm Around Shoulder  
Better was Kiss On The Neck so now I'm here  
On a ledge with a pair of wet pigeons cooing to each  
Other than nights when there's nothing doing  
It's a good job & gives me a swell alibi so if I happen  
To come home late I still get kisses from the Mrs.
