- Allen, Gay Wilson. *The Solitary Singer: A Critical Biography of Walt Whitman*. With a New Preface. Chicago and London: The University of Chicago Press, 1985. xx, 616 pp. [A paperback reprint, priced at \$15.95, of the New York University Press reprint of 1969, with a few corrections of dates, and a "Preface, 1984," pp. ix-xx. If not definitive, this is the best Whitman life yet written. Because the author had to shorten the original Macmillan edition, Allen could not develop the story of Whitman's later years as much as he had originally intended, but Whitman's poetic output was virtually over by then anyway.]
